ERRATUM

In the paper "On factorization of one class of functions analytic in the half-plane", Mat. Studii, **14** (2000), №1, 41–48; the formula on page 42_9 should be exposed as

$$\ln|f(it)| \in L^1(-1,1), \quad f(it)e^{-\sigma|t|} \in L^\infty(\mathbb{R}).$$
